The NITA Foundation
Mission Statement & Board of Trustees

NITA is a dedicated team of practicing lawyers, professors, and judges who believe that skilled and ethical advocacy is a critical component of legal professionalism and all systems of dispute resolution that seek justice. NITA’s mission is to improve access, fairness, and credibility of adversarial justice systems through the training of effective, ethical, and efficient advocates.

When you contribute to the NITA Foundation, your gift works to promote justice through our various training and educational programs, both in this country and abroad. The NITA Foundation, a tax-exempt, charitable organization, exists to support the operations and programs of NITA, also a tax-exempt, charitable organization.

Letter from the President

NITA celebrated a milestone year in 2011 with our 40th anniversary! Throughout the year we hosted coast-to-coast U.S. anniversary special events. We also held a special NITA National Session at the University of Colorado, School of Law in Boulder, coupled with a special weekend reunion for alumni of NITA programs. In the spirit of all the festivity, the NITA Foundation created the NITA Legends Fund. This limited time giving opportunity provided a way for donors to honor individuals over the years such as inspiring faculty members or Board of Trustees.

Thanks to donor support from faculty members, authors, program participants, private firms and organizations and all those who are advocates of justice, we continue to make an impact in the community both at home and abroad. We’d like to extend a special thanks to all our truly generous and loyal individual donors in 2011. We also appreciate the gifts from foundations, law firms, corporations, and private organizations such as: ABOTA-Indiana; August A. Rendigs, Jr. Foundation; Community First Foundation; Fitzpatrick, Cella, Harper & Scinto; International Academy of Trial Lawyers Foundation; International Society of Barristers; Innovest; Kansas Bar Foundation-IOLTA; Kirkland & Ellis; William Goldman Foundation; WilmerHale; and Vorys, Sater, Seymour & Pease LLP.

In addition, as a result of the contributions to the new Jim and Beverly Carrigan Scholarship Fund established in 2010, the NITA Foundation was proud to award the first scholarship in 2011 to Edward Bull to attend the NITA National Session. Ed works as a Deputy District Attorney with the 17th Judicial District Attorney’s Office in Brighton, Colorado, and was so grateful for the scholarship opportunity.

For 40 years, NITA’s revered “learning by doing” teaching method has positively fostered stronger advocacy skills for all lawyers, both public and private. Sharing in this commitment of working together for the greater good are 881 NITA faculty (many who volunteer their time) who annually stand proudly behind more than 220 NITA programs, attended by 4,546 eager participants. Additionally, in 2011, the NITA Foundation awarded 93 scholarships made possible by $142,756 in total scholarship funds for that year. Plus, donated faculty time for public programs totaled $2,846,400 in 2011.

From a more global perspective, NITA and the NITA Foundation supported the “learning by
doing” training in 2011 of legal advocates from Scotland, Northern Ireland, Mexico, Kenya, Japan, and Macedonia. Through our relationships with the U.S. Department of Justice, USAID, Lawyers Without Borders, Justice Advocacy Africa, and other legal organizations, NITA continues to donate program design and materials for the programs. For the International Rule of Law programs, NITA also supports the provision of trained NITA teaching faculty for the programs held in the United States and abroad. NITA faculty members continue to share their time to teach in virtually all of these programs and some donate their own travel expenses.

Back at home, the NITA Foundation was also proud to be one of 529 local charities to participate in Colorado Gives Day. Each year, the Community First Foundation joins up with FirstBank in collaboration with the annually anticipated Colorado Gives Day. In 2011, the event took place on December 6, 2011 and was themed, “Give Where You Live”. The mentality of the day was to increase philanthropy in Colorado through online giving and encourage the community to better educate themselves on the many nonprofits in operation by browsing the profiles available on www.givingfirst.com.

We are also happy to report that NITA and the NITA Foundation Board of Trustees together achieved 100% Board giving in 2011. This accomplishment helps to increase our eligibility for many grant applications that require it. Plus, it underscores how supportive our Board is of the work that we do in the NITA Foundation in our efforts to raise money for scholarships and public service program support. We are grateful to all the active NITA Board members who made this possible along with the support of our Emeritus Board. We look forward to another great year!

Since 2003, the NITA Foundation has disbursed more than $2.4 million in scholarship assistance and public service program support. In fact, 100% of every dollar raised is donated to scholarships and public service programs without any deduction for fundraising or administrative costs.

On behalf of the NITA Foundation and Board of Trustees, thank you for supporting the next generation of NITA legends and helping us honor the memory of all those that have made our organization steadfast for 40 years!

Sincerely,

John T. Baker
President
In 1971, a handful of law professors, judges and attorneys came together to form a nonprofit organization unlike any other organization engaged in legal training and education. The National Institute for Trial Advocacy or NITA, as it later became known, was headquartered in Boulder, Colorado.

NITA was different for a number of reasons: it was a nonprofit organization; it represented a diverse group of leaders in the legal community; it created a “learning by doing” teaching method; and, most importantly, it was firmly grounded in several core values: mentoring, community, excellence, ethics, giving back across the globe, and justice.

In 2003, the Board of Trustees of NITA formed the NITA Foundation to expand its work. Then, as now, NITA works to ensure that these core values are reflected in all of its activities and programs. NITA's programs are unique because of the personal connection of faculty to students and the opportunity for one-on-one interaction and education. Our “learning by doing” methodology fosters numerous life-long mentoring opportunities among our faculty and students. Believing that our community, including the legal community, ought to be inclusive, diverse, and representative of all cultures, NITA strives now, as then, to impact this core value in all that we do. The NITA Foundation further builds on this value as all of NITA's programs are designed to ensure inclusiveness and diversity.

All of our training programs and publications are representative of our unyielding quest for excellence. Because of our desire to deliver excellence, NITA did not publish its first case file until 1977. The thought was then, as it is now, that we would produce only the highest quality work for our audience. The result is an invaluable library of information for advocates.

As committed as we are to excellence, we are equally committed to the ethical practice of law. To do any less would undermine the principles of justice and fairness. Giving back to our global community is another core value of NITA. We do this through over $2.8 million worth of in-kind services donated in 2011 by 881 faculty. Each year, NITA’s Publications Department sends thousands of our books and materials to be used all over the world by nonprofit partners, such as: Lawyers Without Borders, the American Bar Association’s Rule of Law Initiatives, and ABA-CEELI project, to promote justice in emerging democracies with evolving judicial systems. The NITA Foundation builds upon this value through its outreach programs and international partnerships in such countries as Kenya, Japan, Mexico, and South Africa. NITA Publications continuously donate case files, problems, and training materials in electronic format for use across the country and around the globe in mock trial and training programs.

NITA and the NITA Foundation are ardently committed to the idea of a judicial system founded on the concept of fairness and equal justice for all. All of our programs, publications, and activities reflect our commitment to ensuring an even playing field for all those who come before the courts.

Some 40 years later, NITA has grown considerably with 4,546 attendees participating in 220 programs: 33 Public Service, 54 Public (including four new online programs) and 133 Custom. These students join the ranks of thousands of NITA alumni by continuing the NITA tradition of giving back to their communities – locally and globally.
Our Scholarship Program

Every year, the NITA Foundation awards scholarships to worthy applicants who have demonstrated their commitment to public service by representing the underserved and indigent in our community. The Foundation works to ensure that our programs are accessible to all with a special emphasis on those working at nonprofit organizations and legal aid offices. Often attorneys engaged in the public interest are working with the most vulnerable of populations – the elderly, disabled, children, and disenfranchised – and with extremely limited resources.

At NITA we define public service as follows: Attorneys or advocates who serve indigent or disadvantaged populations, including legal aid, child advocacy, tribal court, criminal law, and domestic violence. In addition, we also classify public service to mean private practice lawyers who devote at least 50% of their practice to providing legal services for clients who are indigent and unable to secure fee-based legal representation. (Court-appointed work in these subject areas would also be included.)

NITA has a partnership with Equal Justice Works (EJW), a nonprofit organization committed to creating a just society to mobilize the next generation of lawyers. To support in this effort, NITA offered a tuition free program in DC in October 2011 for 32 fellows.

Because we are committed to ensuring justice for all, the NITA Foundation awarded 93 scholarships in 2011 totalling $142,756. Since our inception in 2003, the Foundation is proud to have provided more than $2.4 million in financial support to scholarship recipients. When you make a gift to the Foundation’s scholarship program, your act of generosity is magnified by the work of each recipient in his or her community.

“We have an ethical and moral obligation to do the best work possible and provide the best service possible and you can only do that with support, education and training.”

– Stephanie Ledesma, Attorney, Round Rock, Texas
Jim Jeans Memorial Fund

Thanks to the generosity of an anonymous donor, a gift of $50,000 began a fund in memory of Jim Jeans. Mr. Jeans was one of NITA’s pioneers, a lawyer well-known for his brilliant storytelling and teaching style. NITA’s community of donors raised over $24,000 to bring the total to $74,134. This fund provides one scholarship each year for a public service attorney to attend the National Session, NITA’s premier training program. This particular honor is bestowed upon a lawyer championing the interests of his or her clients in the name of “justice for all.”

Alston Jennings Memorial Fund

Named after Alston Jennings, an invaluable member of the NITA faculty and former member of NITA’s Board of Trustees, this scholarship opportunity celebrates his memory and commitment to the community by providing funds to a worthy applicant ideally from the Little Rock area of Arkansas. Mr. Jennings fought tirelessly to improve the skills of attorneys, especially those working on behalf of the underserved and disenfranchised. Through this scholarship opportunity, the legacy of Mr. Jennings continues to make an impact in the legal community, and in turn, all the lives touched by his generosity and passion for his vocation.

“[The NITA trial advocacy program] was by far the best continuing legal education course I have ever attended. I don’t think any CLE could ever top it. There is no doubt that I have become a better lawyer, and I am extremely grateful to have been given the opportunity to attend.”

This annual scholarship opportunity funds the tuition of a NITA participant to attend the National Session Trial Skills Program. Funds are awarded to a recipient who meets the NITA Foundation’s economic means qualifications in the Denver or Boulder area, giving strong preference to a lawyer in public service such as a deputy district attorney or public defender.

Thanks to the generosity of donors who support the Jim and Beverly Carrigan Scholarship Fund, established in 2010, the NITA Foundation was proud to award the first scholarship in 2011 to Edward Bull to attend the NITA National Session.

“I have done approximately 60 jury trials and felt like my skills hit a wall. I will now use my newly acquired skills from the NITA training to better my trial abilities for the people of Colorado and future government work.”

Public Service Programs

NITA and the NITA Foundation support a variety of public service and specialty programs that are offered free or for a reduced fee to lawyers working in the following areas: child advocacy, death penalty defense, tribal advocacy, legal services, domestic violence, and international Rule of Law programs.

NITA was able to offer the following public service programs:

- Rocky Mountain Child Advocacy Training Institute: Boulder, Colorado
- Training the Lawyer to Represent the Whole Child: Hempstead, New York
- Equal Justice Works Program: Arlington, Virginia
- National Disability Rights Network: Baltimore, Maryland
- Habeas Federal Post Conviction Skills: Kansas City, Missouri
- Children’s Legal Services: Miami, Florida
- Trial Skills for Juvenile Defenders: Los Angeles, California
- Florida Criminal Conflict and Civil Regional Counsel: Ft. Lauderdale, Florida
- Legal Aid of the Bluegrass: Lexington, Kentucky
- Legal Aid Association of California: Los Angeles, California

Programs which were offered through various state Court Improvement Programs included:

- Utah Child Advocacy Training Institute: Salt Lake City, Utah
- Vermont Office of the Defender General: Essex Junction, Vermont
- Colorado Child Advocacy Training Institute: Denver, Colorado

Through donor generosity, The NITA Foundation was able to offer the following public service program:

- Basic Advocacy Skills Program: Hays, Kansas

“Public service as a prosecutor, a public defender, a legal aid lawyer, or a lawyer for a non-profit public interest agency, represents the highest calling in our profession. Lawyers in these roles truly provide a public service and often do it at a personal sacrifice. I’ve been in the courtroom where the attorney on the other side was either not prepared, not skilled, and/or not invested in his/her client’s cause. While my client might have reaped the short term benefit, I’m convinced that our system of justice works best when everyone who finds themselves before the bar of the court has a capable, professional advocate at their side.”

-C. William (Bill) Ossmann, Chief Litigation Attorney, Kansas Department of Social and Rehabilitation Services (SRS) in Topeka, Kansas
NITA’s reputation for excellence in advocacy training has spread throughout the world. The focus of the NITA International programming promotes the core principles of the Rule of Law embodied by an adversarial trial system of oral advocacy in courtrooms and tribunals.

In 2011, NITA and the NITA Foundation supported the “learning by doing” training of legal advocates from Scotland, Northern Ireland, Mexico, Kenya, Japan, and Macedonia. Through our relationships with the U.S. Department of Justice, USAID, Lawyers Without Borders, and other legal organizations, the NITA Foundation continues to donate program design and materials for the programs. For these International Rule of Law programs NITA also supports the provision of trained NITA teaching faculty for the programs held in the United States and abroad. NITA faculty members continue to share their time to teach in virtually all of these programs and some donate their own travel expenses.

In addition, NITA is at the forefront of an international reform movement promoting the Rule of Law and access to justice for persons denied this decent privilege. In 2010, the NITA Foundation and the NITA Board of Trustees established a new fund to specifically support Rule of Law programs, called the NITA International Rule of Law and Access to Justice Programs Fund. Over the years, NITA has trained attorneys in the United States to be effective and ethical advocates for their clients through public programs, custom programs, and public service programs. However, for almost 25 of those 39 years, NITA has also provided much of the same learning-by-doing training for attorneys, barristers, solicitors, solicitor advocates, magistrates, and judges throughout Europe, Asia, Africa, and Australia. This giving opportunity provides assistance to advocates requesting financial support for international programs.

Since NITA's inception in 1971, we have supported the work of attorneys and activists across the world to promote the pursuit of justice and to provide human rights for all. We realize that such change can only occur with much preparation, training, and resources. A gift to the NITA Foundation ensures our ability to be a world citizen, championing change and reform in the name of justice. For example, we received a request for 135 donated NITA publications needed for a Kenyan program through Lawyers Without Borders (LWOB) as well as additional publication requests for programs in Botswana and Liberia. Through this fund we were able to fulfill these important requests for the future.
“The NITA training gave me the confidence and experience to be a more effective trial advocate. The scholarship provided me an opportunity I would otherwise not have experienced. I work for a non-profit legal aid agency and with our budget cuts, trainings such as these are not an option. My clients will benefit tremendously from my training with NITA, and I am thankful for the opportunity.”

Domestic Violence - Ending Violence Against Women

Because we recognize the urgent need to combat violence against women, we offer vital training to lawyers who assist victims of domestic violence, sexual assault, stalking, and dating violence. Our program is uniquely designed to assist these advocates, many of whom are working under the most difficult of circumstances in shelters and safe houses, to effectively represent these victims in the legal system.

In 2011, NITA trained 80 advocates assisting victims of domestic violence in two programs that include: Advanced Trial Skills in January and Basic Trial Skills in June. These programs were funded by a grant from the Office on Violence Against Women, U.S. Department of Justice.

“We cannot allow the best and the brightest advocates with a commitment to public service to become disheartened due to inability to afford professional skills training. We need to provide more in the way of support.”

– Zelda Harris, Clinical Professor of Law, James E. Rogers College of Law, The University of Arizona
2011 Individual Contributors

The NITA Foundation wishes to express our deepest gratitude to the NITA community—individuals, foundations, corporations, law firms, and in-kind contributors—who make our programs possible. To those donors who wish to remain anonymous, please accept our heartfelt thanks as well. A special thank you to NITA’s volunteer faculty, who have taught and mentored countless attendees in public and public service programs.

“I think in these tough economic times there is a much greater need for legal services to those unable to afford them and the NITA Foundation, through scholarships and program support such as, the Legal Service Attorney Trial Skills Program, provides the means necessary to those representing the less fortunate in our courtrooms around the world to attend a NITA program. I believe it is important for those of us who are able to help to provide both our time and our money to assure that these services continue to be made available and that those providing these services are equipped with the skills necessary to do this valuable service.”

- Charles Garcia, Attorney at Law in Denver, Colorado
I found myself in a panic at the prospect of handling my first jury trial solo. Thinking back to NITA’s deposition skills training, I remembered how it made a world of difference in my performance both taking and defending a deposition. I was confident that Building Trial Skills would do the same. The staff pulled together quickly to ensure I could attend when I wasn’t even sure it would be possible. It was an intense course. We worked hard. When we weren’t in a lecture or being taped and critiqued, we were preparing for what the next day would bring. The opportunity enabled me to practice and improve in what I consider to be one of my areas of weakness—cross examination. I recently found myself using the techniques during a difficult phone conversation! Now I look forward to every next opportunity to practice and improve upon my trial skills. I am forever grateful and indebted to the NITA Foundation for making this experience possible.

The NITA Foundation worked through iGive.com in 2011 so that people could help raise money for the Foundation by registering with www.iGive.com/NITA and shopping online. Each time a purchase was made at one of the 900-plus merchants connected with iGive.com, a percentage of the amount purchased was donated to the NITA Foundation. Money was also raised using www.iSearchiGive.com, a Yahoo!-powered search engine where each qualified search earned a penny (or more!) for the NITA Foundation. For more information visit: www.iGive.com.

How Your Gift Makes a Difference

“The NITA Foundation recognizes the imperative need of funding the skill advancement of lawyers with financial limitations so that social justice may be more readily achieved. The scholarship allowed me the opportunity to engage in world-class professional growth and for that I am truly grateful.”

- Melissa Hailey, staff attorney with WildEarth Guardians, Denver, Colorado and NITA Foundation scholarship recipient

“As a solo practitioner with a great deal of my law practice dedicated to assisting pro bono or low bono clients, I may not have been able to attend the program without this scholarship.”

- Janelle Ryan-Colbert, Colbert Law Firm, Hyattsville, Maryland and NITA program attendee and NITA Foundation Scholarship recipient

“When times are tough, it is important to come together and help each other. The increased life stressors that come with economic challenges mean your gifts to the NITA Foundation are even more important and can have life changing and cascading effects.”

- Julia Corty, Compliance Manager for the Tohono O’odham Gaming Office in southern Arizona and NITA faculty member

“I applied for a scholarship to the Deposition program at a time when my organization [Prisoners’ Legal Services of New York] had no money to retain most of its staff, let alone pay for training. Yet, I had eight depositions fast approaching, and I had never even sat in on a deposition before. Thankfully, the NITA Foundation awarded me a full scholarship. The three days of intense practice and instruction were fantastic and gave me the tools and confidence to conduct my depositions without an issue.”

- Adam DeFayette, Staff Attorney, Prisoners Legal Services of New York, Plattsburgh, New York
The NITA Foundation was proud to be one of 529 local charities that benefit from Colorado Gives Day. In 2011, the event took place on December 6, 2011 and was themed, “Give Where You Live”. In 2010, GivingFirst.org, Community First Foundation’s online giving resource, channeled $8.7 million and distributed it among the nonprofits involved. The mentality of the day is to increase philanthropy in Colorado through online giving. In addition, the initiative encourages the community to better educate themselves on the many nonprofits in operation by browsing the profiles available on www.givingfirst.org. "The generous support of the Kansas Bar Foundation is one of the ways that NITA is partnering with local organizations to ensure lawyers working in public service receive the skills training they need to successfully represent their clients and the interests of the people of Kansas. Making trial skills training available to all lawyers not only levels the playing field, it ensures that justice is served."

Formerly called the NITA Alumni Association, the NAS includes judges, lawyers, law professors, and all friends of NITA. Members of the NAS make up some of the best legal minds in the world, and further our work in the legal community by being integral to the mission of fostering effective and ethical advocacy. NITA Advocates support the work of the Foundation with charitable giving above the basic dues and membership fees, and all members receive benefits such as discounts on publications. In past years, NAS members also sponsored courtrooms, offices, and conference rooms at the NITA National Education Center in Louisville, Colorado. This exclusive naming opportunity provided visibility for donors while promoting the mission of the Foundation. For more information, email development@nita.org.

**Women of the Board
We are happy to report that the NITA and NITA Foundation Board of Trustees together achieved 100% Board giving in 2011. This accomplishment will help increase our eligibility for many grant applications that require it. It also underscores how supportive our Board is of the work that we do in the NITA Foundation in our efforts to raise money for scholarships and public service program support. Thank you to all the active NITA Board members who made this possible and the support of our Emeritus Board. We look forward to another great year!
Since the NITA Foundation’s inception, $2,423,413 has been spent for NITA scholarships, primarily funded through generous donations of $2,155,473. This snapshot is derived from audited financial statements as of December 31, 2003 through 2011.

A copy of the NITA Foundation’s complete Audited Statements and Supplemental Schedules, along with the Independent Auditor’s Report for 2011, is available by calling (303) 953-6845 or by e-mail at development@nita.org. You may also request a copy of our IRS Form 990.

NITA Foundation’s Expense for the year ended December 31, 2011

In 2011, donations helped fund $142,756 in expenditures for Scholarships to NITA programs. In addition, the Foundation supported $10,815 in costs for the NITA International Rule of Law and Access to Justice Programs. This snapshot is derived from audited financial statements as of December 31, 2011. As of July 1, 2010 only Foundation management compensation and other direct Foundation costs were paid from Foundation funds. The Foundation will continue its practice to allocate 100% of donations to direct Scholarship and Program costs.
Thank You for being a part of the legacy of giving.
